The Bible Conference Ministry Of

Calvary Baptist Church Crockett

From The Heart of Pastor Gregory:

When we hosted our inaugural Bible Conference in 2016, it was the fulfillment of a vision I had inside of me for many years. I saw what the annual Bible Conference at the Greenwood Village Baptist Church in Houston had done to bless thousands of preachers and local churches for over 60 years. In my heart I had prayed that someday I would pastor a church that would share this vision. My desire was to invite preachers and singers who would bring fresh fire to the local churches of our county and beyond. And in 2017 it worked again, it really worked. We had our second conference and people came from all over the county and yes, beyond.

Bill Jones, our Associational Missions Director and area pastors throughout this year have asked me if we were going to do it again. The past two years were not a splash in the pan. Calvary intends to make the Bible Conference an annual event. This is our Third Annual Bible Conference. We are bringing in the grandfather of the Texas Bible Conference movement, Dr. Harold Clayton, to preach the heavens down on the last night, Friday, October the 12st. He has been doing it for 60 years!

We want to fill the building with people, praise, worship and old-time Bible preaching.
